The members of the Security Council welcome your report of 26 November 1993 (S/26802). Pursuant to resolution 867 (1993), the members of the Security Council are continuing their review, based on your report, and have found no reason why the mandate of the United Nations Mission in Haiti (UNMIH) should not be continued for the full six-month period authorized by resolution 867 (1993).
